

Village Hall Report to the Hemingford Abbots Annual Parish Meeting

The year 2013/14 has been another very successful year for the hall which continues to be a highly popular venue for a variety of village events. The Village Hall Committee remains under the leadership of George Stump who continues to be well supported by his team of committee members.

Levels of maintenance both to the building and gardens have been kept at a high level. The old picnic table has been replaced and this, together with the donation of an additional picnic table and chairs and a garden bench has provided a further facility for visitors to the hall.

From a financial standpoint I am pleased to report that the overall financial situation continues to be healthy. Fund raising events have been held and continue to provide a necessary source of income.

Finally, many will have noticed that the chairs in the hall are fairly old and in need of replacement. Quotations have been received and it is hoped that the process will be completed later this year.
