

Advent Windows

Hemingford Abbots 2021

St Margaret's Church is once more celebrating the seasons of Advent and Christmastide and transforming our streets into a living Advent Calendar. Each day a new festive window will be unveiled, decorated with a symbol of the season. For puzzle-lovers, we have an added challenge this year: a festive phrase revealing the true spirit of the season can be discovered by solving an anagram of the letters found in each window. Solutions can be exchanged for modest prizes at St Margaret's on Christmas Day. We hope you will wrap up warm to follow the map and join our 'count up' to Christmas.
