

Hemingford Abbots Parish Council

A Post-Covid *Invitation*

After more than a year of lockdown, we can hopefully now begin to look towards a more normal life. As always, our community pulled together wonderfully to protect and help those who needed assistance.

Following on from this time of restricted contact, the Parish Council would welcome an opportunity to meet with you in person, to hear your stories, answer questions and listen to your ideas for the village.

We would therefore like to invite you to:

An Open Evening at The Village Hall

7.30pm on Wednesday, 29th September 2021

(with wine and nibbles, by kind donation)

If you wish to attend, would you please kindly let Maxine (our Parish Clerk) know so we can plan accordingly. We really look forward to being able to meet and re-connect face-to-face.

If you can't make it on the day, then please feel free to share your thoughts with us by emailing Maxine, or alternatively pop along to one of our monthly meetings.

Chairman Marcus Whewell	marcus.whewell@hemingford-abbots.org.uk	Tel: (01480) 464293
Vice-Chairman Zoe Ryall	zoe.ryall@hemingford-abbots.org.uk	Tel: (01480) 462387
Parish Clerk Maxine Blewitt	pairshclerk@hemingford-abbots.org.uk	Tel: (01480) 461787

Hemingford Abbots Parish Council

We will be happy to discuss some of our recent projects, which include:

- Renovation of the village signs
- Introduction of a new 20mph speed limit through the centre of the village
- Our input into the Waste and Minerals Plan and also the third river crossing
- A replacement programme for the concrete posts / streetlights

Or maybe you would just like to understand more about how planning applications are assessed, including the guidelines that the Parish Council must follow when reaching a recommendation.

We also want to discover if there are any particular areas you would like to see us focus on in the future.

Topics could include:

- Could we improve the playing field?
- Could we be more active with regard to recycling, sustainability and biodiversity?
- Should we develop a flood defence plan?
- Addressing the significant loss of trees

It's your community – so please come and share your thoughts!
Your ideas will help shape and enhance life in the village.
