we listened

We are concerned that New Road and parts of the High Street are still 30mph.
White lines on New Road on the bend.
Larger 20mph signs and better road markings into the village.

Our original bid for these areas to be included was refused by Highways.

There is now separate funding within CCC for 20mph initiatives and we will be advised when we can apply.

New larger signs and road markings have now been installed.

Can anything be done about the large puddles in Royal Oak Lane and outside the Village Hall?

Look again at flooding and protection and help for those who need it.

Address the flooding issues in the village.

Clerk is in ongoing discussions with CCC trying to establish a regular jetting schedule to help alleviate this issue.

Chairman has attended Cambridgeshire's first Flood Groups Conference to gain a better understanding. We have added a new page on the village website with flooding information.

Clear the nettles at the stile (bottom of Common Lane).

Trees overhanging the public highway between Grey and Abbots, affecting Dews coach service.

We are very unhappy about the dreadful state of the garages at the end of Rideaway Drive.

Nettles and access at the bottom of Common Lane has been cleared.

Councillors have liaised with homeowners to request tree work where necessary.

The garages are owned by Places for People; their Repairs Team are inspecting for any specific health and safety issues, while the garage portfolio is under review.

Water entry point for kayaks at the bottom of Meadow Lane on the right?

Wildflower areas? Triangle at the end of Royal Oak Lane?

Review potential Assets of Community Value – particularly the Regatta Field?

We are unsure who owns the land, so are waiting on the outcome of the planning application for the adjacent land.

This was successfully completed as part of the Jubilee celebrations.

The Council have agreed to explore submitting an application for the Axe & Compass pub and the Regatta Playing field as potential assets. The next step is to speak with the owners and secure their permission and agreement.
