

Hinchingbrooke Hospital - Volunteers Needed

We are looking for Volunteers to give a small amount of their time in order to make a big difference to the wellbeing of our patients, their families and our staff.

Volunteering provides a sense of achievement whilst doing something positive for your local community and whatever your background, experience or interests, we are sure to have a role to suit you 😊

Our Volunteers are welcomed from the moment they join and enjoy a full volunteer induction, full training, development opportunities and ongoing support. They also receive a uniform, parking permit and return travel expenses - within a 20-mile radius of the Hospital.

Whether you are just retiring and have some spare time or are looking to join the NHS workforce as a career, volunteering is a great way to give something back, find out about hospital life all whilst making new friends.

If you would like to make a difference to somebody's day by giving your time and being there for them, we'd love to hear from you!
