

PROPOSED DEVELOPMENT AT HEMINGFORD PARK HALL

Dr Phil and Rachel Kasiewicz propose to make four, Planning and Listed Building consent applications for development at the Hall, to Huntingdon District Council as Local Planning Authority.

The applications in the main, focus upon physical alterations to the Pool House to bring the building more in line with what was previously approved and taking on board the pre application responses received from the Local Planning Authority and Historic England. The Change of Use to this building and associated areas with operational works, to a [wedding and events venue](#) and commercial [spa](#) is also proposed.

No application has yet been submitted. The working drafts of these applications will be posted on the Artisan website on [Wednesday 16th August](#), and you will be able to leave your comments there or pose questions which will be addressed by Artisan.
